County Roads closed following Train Derailment

The Los Angeles County Department of Public Works has closed a number of roads in the vicinity of Littlerock, an unincorporated area of LA County near Palmdale, following a freight train derailment earlier today. The roads were closed at the request of the California Highway Patrol and LA County Sheriff's Department and currently affect a two-mile area between 87th Street to 106th Street East. Public Works personnel have joined other first responders at the Incident Command Post and continue to monitor the situation.

The full list of road closures is provided below. The list is also available on the Department's website at www.dpw.lacounty.gov by clicking on the orange Road Closures icon. The list will be updated throughout the evening if additional closures are ordered.
